FOR IMMEDIATE RELEASE

OSG Billing Services Expands Robust Communications Platform Through Two New Acquisitions

RIDGEFIELD PARK, NJ – September 10, 2018 – OSG Billing Services (OSG), a leading provider of omnichannel billing and payment solutions, customer engagement and critical customer communication management, today announced that it has completed the acquisitions of Applied Information Group, Inc. (AIG) and TeleReach, Inc. AIG is a leading provider of comprehensive email and database management, data processing and digital marketing solutions headquartered in Kenilworth, NJ. TeleReach is a full-service call center and a leader in customer engagement solutions located in Plainville, CT. Both companies will continue to operate under the same respective management teams.

These acquisitions come on the heels of a tremendous period of growth for OSG, as the company continues to integrate leading technology solutions that support the omnichannel communication demands of today's modern customers.

"At OSG, the needs of our customers help to drive our product development and acquisition decisions. AIG and TeleReach bring significant enhancements to our communications platform and align with our core mission of offering clients the most innovative and comprehensive ways of reaching their customers," states Scott W. Bernstein, OSG's Chairman and CEO. "Both companies share in OSG's customer-first philosophy and commitment to innovation. We look forward to working with the talented teams at both companies."

"This is an exciting time for AIG," states Mitch Rubin, President of AIG. "Joining the OSG family will take our technology and service offerings to new heights. By joining forces, we have a tremendous opportunity to create value for our customers and employees."

"We are excited to be welcomed into the OSG family, having known and respected OSG for many years," states Gary Reach, President of TeleReach. "We know that partnering with a company like OSG not only strengthens our offerings, but also allows us to expand our customer base and enter into new markets."
